**TYPES and BREEDS of  
FARM LIVE STOCK**

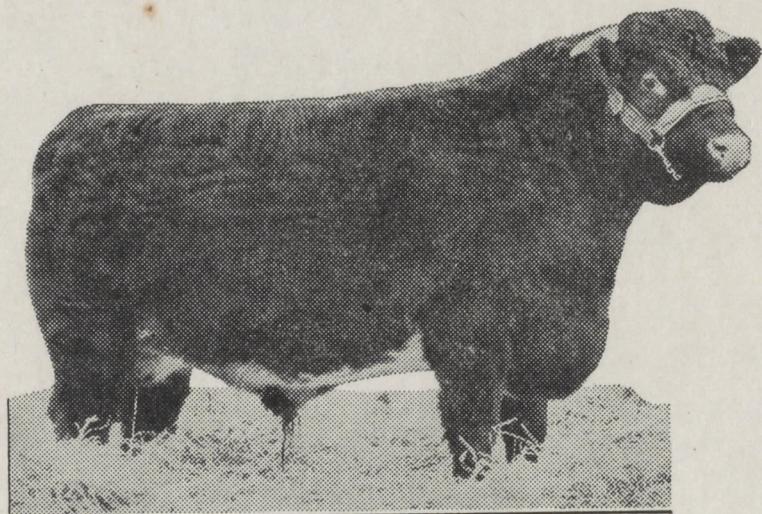

(Illustrations Only)

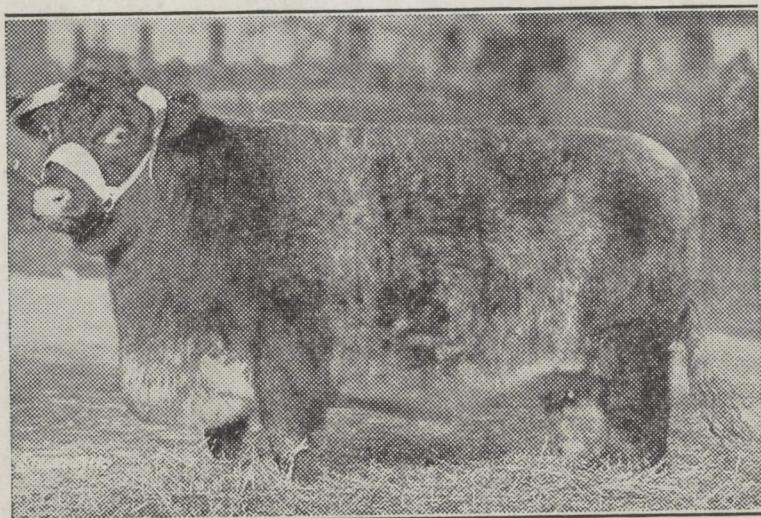

—Photo by Raphael Tuck.

The illustrations contained herein have been assembled from various sources and made available in this form to meet the demand from school pupils in Saskatchewan for pictures of types and breeds of live stock commonly found on Saskatchewan farms. It is hoped that the illustrations may be found useful both by pupils and teachers.

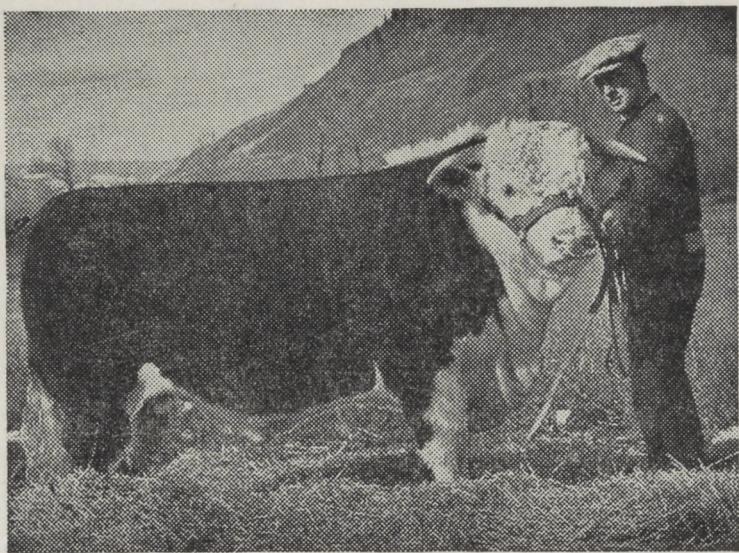

Members of Boys' and Girls' Farm Clubs also will find this material useful as a guide in their studies of Farm Livestock.
